INES Ruhengeri - SWE 3513 - Individual Assignment 2

Student Declaration

Student: KHALIL ABDEEN HAMID MUSA
Registration number: 25/27483
Institutional username: ug2527483@ines.ac.rw
Verification code: AI-A2-7483

I hereby declare that this submission (AI_A2_2527483) is my individual work. All sources and AI assistance used during development are disclosed in evidence/AI_USE.md. I understand the entire system, can explain and modify every part of the code, and I verified all datasets, metrics, plots and API behaviour reported in the technical report. The dataset is synthetic and no real farm or personal data is included. This prototype is a classroom decision-support tool only and must not replace professional agronomic judgement or determine access to finance, insurance or public services.
